ORDER:

In the reference read above, the Director of Health & Family Welfare, AP, Vijayawada has stated that, the Government of Andhra Pradesh has launched Mobile Medical Units (MMUs) in the year 2008 with a view to provide quality, primary health care services through Medical Officers at village level. At present 292 MMUs (including 15 shandy vehicles) are operated in the State. The following are the services provided in the MMUs:

1. Screening, diagnostics, dispensing of drugs for Non Communicable diseases and communicable diseases.
2. Regular Checkups of Antenatal and Postnatal women.
3. Conducting of VHNDs.
4. Regular Water Quality monitoring.
5. To conduct health awareness programmes.

2. Keeping in view of the importance of (104) services in the state, Government have decided to deploy one MMU per mandal in all (676) Mandals duly procuring (676) new vehicles for MMUs (104) services as the existing vehicles are old.

3. After careful examination of the proposal, Government have decided to procure new 676 (Mobile Medical Units 104 Services) through a financing option to be arranged by the vehicle Original Equipment Manufacturer (OEM) and the primary bidding parameter in the RFP shall be the lowest rate of interest to be offered by the financing agency arranged by the OEM, or the 'lowest monthly/quarterly installment' to be paid by the Government over a three (3) or five (5) years period and the procuring the vehicles through a financing option will ensure that vehicles are owned by the Government and it will place a lower burden on the State exchequer in the immediate future.

(p.t.o)

4. The Chief Executive Officer, Dr. YSR Aarogyasri Health Care Trust, A.P, Guntur is therefore directed to procure the new 676 Mobile Medical Units (104 Services) as ordered at para 3 above and also explore the buying back the vehicles.

5. This order issues with the concurrence of the Finance (FMU-HM&FW.II) Department vide their U.O.No.FIN01-FMIOPC(HMF2)/48/2019, Dated:24.06.2019.
